Community Rules

Twin Coach Estates Homeowners Association, Inc.

A Resident-Owned
Community

**Owned and operated by:
Twin Coach Estates Homeowners Association, Inc.**

IMPORTANT NOTICE REQUIRED BY LAW

The rules set forth below govern the terms of your lease or occupancy with this manufactured housing community. If these rules are changed in any way, the addition, deletion or amendment must be delivered to you, along with a copy of the certified mail receipts indicating that such change has been submitted to the attorney general and the director of housing and community development and either a copy of the approvals thereof by the attorney general and said director or a certificate signed by the owner stating that neither the attorney general nor said director has taken any action with respect thereto within the period set forth in paragraph (5) of section thirty-two L of chapter one hundred and forty. This notification must be furnished to you at least thirty days before the change goes into effect. The law requires all of these rules and regulations to be fair and reasonable or said rules and regulations cannot be enforced.

You may continue to stay in the community as long as you pay rent and abide by the rules and regulations. You may only be evicted for nonpayment of rent, violation of law or for substantial violation of the rules and regulations of the community. In addition, no eviction proceedings may be commenced against you until you have received notice by certified mail of the reason for the eviction proceeding and you have been given fifteen days from the date of the notice in which to pay the overdue rent or to cease and desist from any substantial violation of the rules and regulations of the community; provided, however, that only one notice of substantial violation of the rules and regulations of the community is required to be sent to you during any six month period. If a second or additional violation occurs, except for nonpayment of rent, within six months from the date of the first notice, then eviction proceedings may be commenced against you immediately.

You may not be evicted for reporting any violations of law or health and building codes to boards of health, the attorney general, or any other appropriate government agency. Receipt of notice of termination of tenancy by you, except for nonpayment of rent, within six months after your making such a report shall create a rebuttable presumption that such notice is a reprisal and may be pleaded by you in defense to any eviction proceeding brought within one year.

Any group of more than fifty percent of the tenants residing in the manufactured housing community has certain rights under section thirty-two R of chapter one hundred and forty, to purchase the community in the event the owner intends to accept an offer to sell or lease the community in the future. If you wish to receive further information about the financial terms of such a possible purchase, you may so notify the owner at any time by signing the attached Request for Information and returning it to the owner in person or by certified mail. Such request for information shall not obligate you to participate in any purchase of the community. For a proposed sale or lease by the owner which will result in a change of use or a discontinuance of the community you will receive information at least two years before the change becomes effective. Otherwise, Requests for Information or similar notices from more than fifty percent of the tenants residing in the community must be on file with the owner before the owner is required to give you information concerning the financial terms of a sale or lease.

This law is enforceable by the consumer protection division of the attorney general's office.

As part of this responsibility, the Association shall ensure that roadways are reasonably free of debris and potholes, and other common areas are clean, in good repair, and free from debris and rubbish.

12. Snow Removal

The Association is responsible for clearing snow and removing ice, where necessary, from the community roadways and other common areas. Residents are responsible for clearing snow and removing ice, where necessary, on their home sites. When removing snow from driveways, residents should make efforts to put the snow in their own yards and not in community roadways.

13. Water Use

- a. Residents are encouraged to be aware of water conservation at all times. Residents should make every effort not to leave any faucets or toilets running, leaking, or dripping, and water shall not be left running to protect against freezing.
- b. Residents may use the community's water for their ordinary personal and household needs. Excessive use of water, over and above personal and household needs, is not acceptable, and this rule shall be applied in a reasonable and non-discriminatory manner.

- b. Maintenance of Site: All residents shall keep their site neat, clean, and free from yard waste, dead brush, garbage, and other refuse. Lawns and shrubs should be kept mowed and trimmed to prevent them from appearing overgrown.
- c. Repairs to the Home or Site by the Association: If the home's exterior does not comply with any enforceable community rule, the Board of Directors or the Rules Enforcement Committee may notify the resident in writing that: specific work is required to bring the home or site into compliance with such rule, and the Association will perform the work at the resident's expense if the resident does not do the work within 10 days or other reasonable written timeframe, of receiving such notice. The notice must also specify the amount that will be charged to the resident. If the resident does not do the work within 10 days of receipt of such notice (or other reasonable written timeframe), the Association may perform the work and charge the resident the amount specified in the notice, provided that such charges have been listed in the Written Disclosures described in Rule 4.
- d. Structural Modifications to Home or Site: With the exception noted below, any external structural modifications to the home or site must conform to the general aesthetic standards, for materials, design and siting, of the majority of homes in the community. For purposes of this rule, the term "external structural modifications" includes, among other things, any change in the structure of the outside of the home itself or patio areas, or the erection or alteration of any additions, decks, porches, skirtings, awnings, sheds, fences, enclosures, or other outside structures. Such external structural modifications may be made only with the prior written approval of the Board of Directors, who will determine whether the plans or drawings comply with the community's reasonable rules on aesthetic requirements and whose approval

shall not be unreasonably withheld or delayed. For those improvements requiring the approval of the local building inspector, the resident may not begin the work until he or she has submitted to the Board of Directors reasonable proof of such approval by the local building inspector. The Board of Directors shall not enforce any otherwise enforceable rule governing the exterior of homes against homes built before June 15, 1976, if it would not be practicable or possible for such home to conform with such rule because the home does not comply with the federal standards for construction of manufactured housing that were made effective on that date.

- e. Exterior Aesthetic Standards for Community: There are no specific aesthetic standards in our community. Please refer to rule D before making any improvements, modifications, or changes.

16. Interior Appearance and Improvements

Tenants shall be responsible for the interiors' compliance with applicable governmental health, safety, and other regulations, and shall only be subject to enforcement by the appropriate governmental authorities.

17. Landscaping

- a. Landscaping by Association: With regard to landscaping — such as plants, trees, or shrubs — that the Association has done at the home sites or in common areas, residents may not remove or substantially change the appearance of such landscaping without the prior written approval of the Board of Directors. In addition, no trees planted by the Association shall be trimmed without the permission of the Directors. Such approval shall not be unreasonably withheld or delayed. This rule does not prevent residents from doing routine gardening at their site or engaging in regular maintenance of their lawns, shrubbery, and other plantings. In addition, this rule does not prohibit residents from removing any improvements made by the resident (including landscaping), as long as the resident repairs any damage to the home site caused by the removal of such improvements.
- b. Landscaping by Residents: Most utilities are located underground and therefore residents may only do substantial landscaping of their sites after complying with all enforceable rules on digging (see Rule 18 below) and obtaining the Board of Directors prior written approval, which shall not be unreasonably withheld or delayed. This rule does not prevent residents from doing routine gardening at their site or engaging in regular maintenance of their lawns, shrubbery, and other plantings.

18. Digging

Before a resident begins to dig or excavate on his or her site, he or she must notify “Dig Safe” and comply with state “Dig Safe” law. The number for Dig Safe is 811 or you may visit Dig Safe online at www.digsafe.com. The Board of Directors must be given written notice of the appropriate Dig Safe clearance numbers and clearance dates prior to starting any digging. All excavation shall be done by persons licensed to do such work and such persons must provide the Association evidence of suitable liability and workers compensation insurance prior to commencement of excavation. This rule does not

prohibit residents from doing routine gardening and maintenance of lawns and shrubbery.

19. Goods and Services

The resident may hire any vendor, supplier, or contractor of his or her choice to provide goods and services for the home and home site. For those vendors, suppliers, or contractors (the “vendor”) whose provision of goods or services may pose risks to the health, safety, welfare, or property of other residents, the Association, or the community as a whole, the resident can hire that vendor only if, before such goods or services are provided, the vendor submits to the resident reasonable evidence that he or she has insurance (including workers compensation insurance) in an amount reasonably related to the size of the risk(s), and such reasonable evidence shall be provided to the Board of Directors upon request. NOTE: remove upon request.

20. Soliciting

Except for such suppliers engaged or about to be engaged by residents and/ or the Board of Directors, other commercial vendors are prohibited from soliciting and peddling within the community.

21. Storage

Residents should not use patios, decks, porches, or lawn areas for long-term storage of items such as bottles, paint cans, trunks, boxes, snow blowers, lawn mowers or other equipment, furniture, bicycles, lawn and garden tools, gas bottles, wood, metal, and other materials. Such items must be stored inside or under the home, or in a shed or garage (if any). The resident may keep lawn furniture and other similar outdoor seasonal items outside the home during the seasons when they are not in use, provided that they are placed on a deck, patio, or porch, and do not interfere with lawn maintenance.

22. Fire Safety

Because of the proximity of the homes in the community, the risk of fire damage to surrounding homes, and potential risks to those with pulmonary illnesses, residents are reminded that if they make interior improvements to the home involving equipment posing substantial fire risks — such as fireplaces, wood stoves, and other equipment involving open fires — they are responsible for ensuring compliance with all applicable governmental health, safety and other regulations on public health and fire safety, including those of the local fire department. Residents are required to provide the Board of Directors with a copy of applicable permits prior to installation and usage. This rule does not apply to equipment that is already part of the structure of the manufactured home and does not prohibit the use of charcoal or gas grills for cooking at the resident’s home site. Residents shall carefully attend to any fire or hot coals in their outdoor grills and obey all local ordinances regarding open fires.

Fire pits are permitted for use by residents, so long as the burning material does not present a smoke hazard to neighbors. The fire pit must be outfitted with a spark arrester

or screen cover. The fire pit must be located at least 4' from any structure while in use and placed on flat ground. To reduce the risk of causing a tree root fire, the structure must be sitting upon bricks or sand while in use.

23. Association's Right of Entry

The Association, through its Board of Directors may enter onto a tenant's site in case of emergency that threatens the safety or property of the tenant or others. The Board of Directors may also enter the site either to inspect the pad, utility connections, and the general condition of the site, or to show the site to individuals interested in renting the site or purchasing the home; however, in such cases, the Board of Directors must provide reasonable advance notice before entering onto the site. The Board of Directors will not enter a manufactured home unless the tenant has provided prior consent in writing on a separate document addressing only the issue of consent.

24. Residents' Conduct

- a. Compliance with Applicable Laws and Community Rules: All residents shall abide by all enforceable community rules, any fire, health, safety, and sanitary laws, and all other relevant national state or local standards that are applicable to the community and/or the home. Residents will make sure that their children and guests are sufficiently informed so that they understand and comply with all reasonable and applicable community rules.
- b. Privacy Use and Quiet Enjoyment: Residents and their guests shall not interfere with the other residents' privacy, use, and quiet enjoyment of their homes or home sites at any time.
- c. Noise and Disturbances: Residents may not play any stereo, radio, or television, or otherwise create noise, at a level that unreasonably interferes with other residents' right to quiet enjoyment of their homes and home sites. Reasonable quiet must be maintained between the hours of 10:00 p.m. and 8:00 a.m., or during the time period specified in any applicable local by-law or ordinance.
- d. Interference with TV and Radio Reception: The community does not permit any short wave or CB equipment or similar device that interferes with other residents' privacy or their ability to receive television, radio, or other transmissions.

- g. The use of pools is prohibited, with the exception of wading pools, which are defined as not deeper than 6 inches nor wider than 4 feet. Residents shall carefully attend to pools filled with water and obey all local ordinances regarding open pool safety and regulations, including, at all times, adult supervision of children using the pool. When not in use, all pools must be properly emptied of water and stored inside.
- h. The installation and use of hot tubs are permitted. The hot tub must be approved by the Board of Directors prior to installation and must meet all safety standards set

forth by the manufacturer, town and state Approval shall not be unreasonably withheld or delayed. Any necessary permits are required prior to installation.

25. Non-Residential Activities

Non-residential activities are permissible in the home or at the home site, as long as residents conform to all applicable zoning and other laws, and do not substantially disrupt the residential nature of the community. Excessive parking, traffic, and noise may be examples of such substantial disruptions of the community's residential nature. In addition, if non-residential activities lead to long-term excessive use of utilities, they may fall under this rule.

Yard sales are permitted between the hours of 9 AM and 4PM, up to two days per week. Residents must request approval by the Board of Directors to hold yard sales; and such permission shall not be unreasonably withheld or delayed.

26. Pets

All pets must be properly licensed by and immunized, if so required by the local municipality. All residents must disclose to the Association ownership of any pets that go outside. All pets, whether inside or outside the home, are prohibited from disturbing the peace and quiet, and threatening the health, safety or property of residents, including following the quiet hours. No resident may keep a pet whose conduct has endangered the health, safety or property of other residents or their guests. Whenever a pet is outside your home, it must be reasonably restrained at all times, by either a leash or other reasonable restraint. Fences for this purpose must have prior Board approval, per rule 15 d. The pet owner is responsible for cleaning up after his pet. If the pet owner violates this rule, the Association may take whatever steps are permitted by law to have the pet removed from the community.

Only two outdoor pets are permitted, per home. As of the approval of these rules, any cats brought into the community must be kept indoors. Any dog with a documented history of aggression and violence is not permitted to enter/ stay in the community.

International Cooperative Alliance Principles

1st Principle: Voluntary and Open Membership

Co-operatives are voluntary organizations, open to all persons able to use their services and willing to accept the responsibilities of membership, without gender, social, racial, political or religious discrimination.

2nd Principle: Democratic Member Control

Co-operatives are democratic organizations controlled by their members, who actively participate in setting their policies and making decisions. Men and women serving as elected representatives are accountable to the membership. In primary co-operatives members have equal voting rights (one member, one vote) and co-operatives at other levels are also organized in a democratic manner.

3rd Principle: Member Economic Participation

Members contribute equitably to, and democratically control, the capital of their co-operative. At least part of that capital is usually the common property of the co-operative. Members usually receive limited compensation, if any, on capital subscribed as a condition of membership. Members allocate surpluses for any or all of the following purposes: developing their co-operative, possibly by setting up reserves, part of which at least would be indivisible; benefiting members in proportion to their transactions with the co-operative; and supporting other activities approved by the membership.

4th Principle: Autonomy and Independence

Co-operatives are autonomous, self-help organizations controlled by their members. If they enter to agreements with other organizations, including governments, or raise capital from external sources, they do so on terms that ensure democratic control by their members and maintain their co-operative autonomy.

5th Principle: Education, Training and Information

Co-operatives provide education and training for their members, elected representatives, managers, and employees so they can contribute effectively to the development of their co-operatives. They inform the general public - particularly young people and opinion leaders - about the nature and benefits of co-operation.

6th Principle: Co-operation among Co-operatives

Co-operatives serve their members most effectively and strengthen the co-operative movement by working together through local, national, regional and international structures.

7th Principle: Concern for Community

Co-operatives work for the sustainable development of their communities through policies approved by their members.

These principles can be found on the International Cooperative Alliance website at <http://www.ica.coop/al-ica/>.

Article 7 - Member's Further Obligations and Covenants: The Member shall abide by the terms and conditions of MGL c. 140 § 32A through S, this Agreement, and the Articles of Incorporation and Bylaws of the Corporation, and Community Rules of the Corporation now in force or as they may be placed in force from time to time during the period of

occupancy. The Member acknowledges receipt of a copy of the applicable Community Rules and Bylaws in effect at the execution of the Occupancy Agreement. The Member may do substantial landscaping of their sites after complying with all enforcement rules on digging and obtaining the Cooperative's / Association's prior written approval, which shall not be unreasonably withheld or delayed. Any damage due to negligence is the responsibility of the Member. This rule does not prevent Members from doing routine gardening at their site or engaging in regular maintenance of their lawns, shrubbery, other plantings, and trimming of over-hanging limbs. The Member, in removing Member-installed plants, shall restore the site to its original landscaped condition.

The Member should carry homeowner's insurance including general liability insurance; however, because the Corporation is not able to effectively monitor that the homeowner's insurance coverage is current, it is the Member's responsibility to keep it current.

For this reason, all Notices to Quit for Nonpayment of Rent may be accompanied by a notice of the charges against them and of a reasonable opportunity to be heard before the Board of Directors of the Corporation not less than 15 days from the date of said notice. Failure to give said notice shall not constitute grounds to delay or avoid eviction.

Article 10 - Sublease: The Premises may be sublet to a third party only in the event of extreme and temporary hardship, as determined by the Board of Directors and upon such terms and for such time periods as it deems appropriate in its sole discretion and sets forth in writing.

An application shall be acted upon within ten (10) days of receipt by the Corporation Board of Directors and any such failure to act shall be deemed an approval of the application.
- C. If the Corporation is owed money by the Member or the Member is in breach of any other obligation to the Corporation, the Board of Directors may

consent to the transfer, as requested by that Member for the sale of his/her/their Home to a new buyer, but may insist that the consent or transfer documents or deed be transmitted directly to the escrow or closing agent with a Notice of Lien on the resident's Home for those amounts due and owing the Corporation. The documents shall only be recorded upon payment to the Corporation of all outstanding balances due to the Corporation.

Article 12 - Invalidity: If any clause, part of a clause or provision of this Agreement shall be determined to be invalid under any law or their application by a Court of competent jurisdiction, such invalidity shall not affect the validity of all remaining portions of that clause or provision or the other clauses or provisions of this Agreement.

Article 13 - Waiver: Either party's failure to insist upon strict performance of any provision of this Agreement shall not be deemed or construed as a waiver of performance of any other term of the Agreement or a waiver of such provision on future occasion.

Article 14- Notices: Whenever the provisions of law or the Corporation Bylaws require Notice to be given to either party, any notice by the Corporation to the Member shall be deemed to have been duly given if the notice is delivered to the Member at the Lot or to the Member's last known address; and any notice by the Member if delivered to a current elected Officer of the Corporation. Such notice may also be given by depositing the notice in the United States mail, addressed to the Member, as shown on the books of the Corporation, or to the President of the Corporation, as the case may be, and the time of mailing shall be deemed to be the time of the giving of such notice.

Article 17- Attorneys' Fees and Costs: In the event any legal action is commenced by the Corporation to collect past due rent, to evict for any reason, or for any other reason, the Member must pay all legal fees and costs incurred by the Corporation, subject to the last sentence of this paragraph. These fees and costs will be paid by the Member, even if the eviction is terminated or cancelled by the Corporation. The legal fees would also include all such fees and costs incurred in connection with any appeal filed by the Member. The legal fees and costs incurred by the Corporation shall be considered additional rent for the unit in question, and this additional rent shall be due and payable by the Member in accordance with this document and the Community Rules. The Corporation shall be liable for such fees in the event the Member prevails in any such action.
